FAQ

Q What is the Warranty for the faucets ?

A For the faucets,we have 3 years warranty.If any quality problems on our side were found in this period,we will send you the replacement in your next new order .

Q What is your MOQ ?

A 100pcs each model while we accept less quantity at the beginning Of our cooperation so that you can test our product quality before normal order.

Q What type of cartridges you provide and the lifetime ?

A We provide ceramic cartridges mainly including : Spain Sedal & Taiwan KCG Cartridge : 500,000 times open and close ; Local Cartridge : 200,000 times open and close .

Q What about the delivery time ?

A It takes about 15 days for trial order quantity less than 1000pcs ,About 25 days for 20ft ; about 30 days for 40ft .

Q How can we get sample to check quality ?
And how many days ?

A You can order one or few pcs sample to check our product quality firstly. It can be ready within 3 days once we receive the sample payment.

Q Do you charge for samples and freight ?

A As per our company policy ,the samples and freight will be on customer's account while sample charges will be returned to you in your First official order .

Q Is there cheap shipping cost to import to our country ?

A For small order ,express will be best ; For bulk order ,sea shipment is the best but takes longer time ; For urgent orders,we suggest by air.

Q Can we get support if we have our own market position ?

A Please inform us your detailed schedule on your market demand ,we will discuss and propose helpful suggestion for you to find the best Solution .
